## 2023 CUES® Compensation Survey Results Indicate Compensation Up Across Most Positions

**MADISON, Wis.**— Base salary, base salary plus bonus, and total compensation packages increased last year across 20 of 22 positions reported in the 2023 CUES Executive Compensation Survey.

Other key findings from this year's report include:

- A credit union's asset size continued to be the leading influencer on compensation levels.
- The most common length of a CEO contract is 3 Years.
- 24% of reported CEOs are female.

Report data comes from credit unions who participated in [CUES Executive Compensation Survey](#) and/or [CUES Employee Salary Survey](#) between January 1 and April 17 of this year.

New this year, CUES Executive Compensation Survey features a handy Compensation Calculator and Infographic Generator so credit unions can easily see how their salaries compare to peer credit unions. Subscribers also access valuable compensation trends, tools and data to help credit unions attract and retain well qualified professionals.

CUES Employee Salary Survey offers pertinent data to attract new hires, and valuable tools to ensure credit unions retain their top employees.
